missing citation

Hello Quliyev Malik! In this edit (https://en.wikipedia.org/w/index.php?title=&diff=prev&oldid=1298418754), you added a footnote for "Rəhimli 2003". But no such citation exists in this article, leaving the material you added unverifiable. There *is* a citation for "Rəhimli 2006". Is it just that you've gotten the date wrong, or did you mean to add a second citation by the same author? Either way, are you able to clean up this problem so the article renders without errors, and that the material can be verified? -- mikeblas (talk) 16:05, 6 October 2025 (UTC)
